

CONSTRUCTION NOTICE

COMING SOON!

SW 25TH STREET COMPLETE STREET IMPROVEMENTS

In an effort to continue improvements in the City's roadways and to further our streetscape enhancement projects, we are scheduled to commence construction along the following corridor within the City of West Park from June 2022 through early 2023:

SW 25th Street from SR7/US 441 to SW 40th Avenue (Barack Obama Blvd.)

The scheduled improvements for the identified area include:

- ✓ **Traffic Calming Devices**
- ✓ **Bicycle Lanes**
- ✓ **Roadway Reconstruction/Repaving**
- ✓ **Updated Pavement Marking & Signing**
- ✓ **Sidewalk Repairs and Upgrades**

It is anticipated that the newly paved roadways, and updated signage and pavement markings will not only improve roadway safety but will also enhance the look and feel of the community as well. It is however expected that traffic patterns in the area may be altered in order to facilitate a timely and successful completion of the project outcome.

Thank you for your patience and cooperation on this very important project.

This is a Surtax funded Municipal Transportation Project. Funding is in collaboration with the City of West Park. For additional information regarding this and other Surtax Funded projects, please visit the City's website at www.cityofwestpark.com and click on the "Surtax" tab.
