Appointments No Longer Required at DOH-Broward COVID-19 Vaccination Sites

Broward, Fla. – Until further notice, no appointment is required at DOH-Broward vaccination sites. All individuals age 16 and older are eligible to receive the Pfizer-BioNTech COVID-19 vaccine available at DOH-Broward vaccination sites. A parent or guardian must be present to sign the consent form for anyone under age 18.

If you have scheduled a future appointment at a DOH Broward site, you may come at that time or can visit any of the sites at any time during operating hours. Individuals should return for their second dose at the date on your vaccination card at the same time and site as your first dose.

"We are continuing our efforts to make vaccine as accessible as possible to Broward County residents as we work with Broward County, Broward Sheriff's Office, municipalities, municipal law enforcement and EMS/Fire-Rescue to protect our community against COVID-19," Florida Department of Health in Broward County Health Officer Dr. Paula Thaqi said.

Vaccination site locations and hours of operation are below.

About the Florida Department of Health

The Department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
